SUBJECT: FINDING OF NON-COMPETITION – SOLE SOURCE # 5274-1
PURCHASE FROM CELLEBRITE INC. LOCATED IN PARSIPPANY, NEW JERSEY

This is to document my finding that competitive bidding is not possible for the purchase of Universal Forensic Device (UFED) Premium Desktop and Cellebrite Advanced Service (CAS) Unlocking and Extraction Technology in the amount of \$208,750 for the approximate term of 07/02/2018 – 12/31/2019 for Alameda County Sheriff Office.

Alameda County Sheriff Office is requesting a decrease of \$15,431 to Sole Source #5274 bringing the total amount from \$224,181 to \$208,750

In accordance with the County Administrative Code Section 4.12.010 entitled "Purchases to be by Competitive Quotation," all purchases of and contracts for materials, supplies, services, furnishings, equipment, livestock, and other personal property shall be based wherever possible on competitive quotations.

I have researched the product on the internet. I have determined the requested product and supplier cannot be substituted and satisfy the County's requirements. Cellebrite is the sole distributor for Universal Forensic Device (UFED) Premium Desktop and Cellebrite Advanced Service (CAS) Unlocking and Extraction Technology. ACSO is currently using the Cellebrite equipment, which is proprietary and the upgrade must be purchased or obtain from Cellebrite. The upgrade is essential to allow the Crime Lab to unlock the latest Apple iOS and Android phones for investigative and evidentiary purposes. Therefore, this is a non-competitive Procurement quotations are not possible and the request is recommended for your approval.

Alameda County Sheriff Office is to submit an ALCOLINK requisition and supporting documentation to GSA-Procurement or obtain approvals to order directly in accordance with County procurement procedures.

Contractors not meeting the definition of a SLEB <http://www.acgov.org/auditor/sleb/overview.htm> are required to subcontract with a SLEB for at least twenty percent (20%) of the total estimated contract amount in order to be considered for a contract award. Contractors are encouraged to form a partnership with a SLEB that can participate directly with this contract. One of the benefits of the partnership will be economic, but this partnership will also assist the SLEB to grow and build the capacity to eventually bid as a prime on their own.

Once a contract has been awarded, contractor will not be able to substitute the subcontractor without prior written approval from the Auditor Controller, Office of Contract Compliance & Reporting (OCCR).

County departments and the OCCR will use the web-based Elation Systems to monitor contract compliance with the SLEB program (Elation Systems: <http://www.elationsys.com/elationsys/index.htm>).
